

# Makaha P-3 Focus Group

## Overview of Activities

Feb-May 2010

### **February 9, 2010**

ECE programs on the Mākaha Elementary Campus visit one Kindergarten class.

### **February 16, 2010**

Kindergarten teachers visit 3 ECE classes on campus. (Keiki Steps and Head Start)

### **February 17, 2010**

Debrief meeting was held in Ms. Darlene's class.

### **April 6, 2010**

ECE visits one Kindergarten class.

### **April 20, 2010**

Follow-Up Debrief meeting was held in the Keiki Steps classroom. The group was divided so that they could do one on one dialogue. Based on the visitation that they did, these were some of the questions that was asked:

- What is going on in this scenario?
- What are some ways you can help prepare for this kind of learning that considers various individual levels of development?
- Try to be specific as you can about actual activities.
- What are some ways teachers can extend the learning after a lesson like in this scenario/observation?

### **Future Plans**

Your commitment to giving your students the best education possible makes a difference for our families and communities!! We will contact the group in the near future to plan our next steps. Feel free to contact Sanoë at [sanoetw@inpeace-hawaii.org](mailto:sanoetw@inpeace-hawaii.org) for any questions.
